Dear Travelers,

I am excited to announce big changes for AFC Tours & Crusies. You may have noticed our new name. Maybe it was our exciting new look that caught your attention. Either way, we will still delight you with our high standards of service, our easy and convenient reservations, and the quality product you've come to expect.

AFC Tours & Cruises is now AFC Vacations. We are the one-stop shop where you can reserve space on a land tour, book a cruise, even get picked up at home using our included home shuttle service. Whatever you need, we can help. We still are, simply, your perfect fit in vacation planning.

In addition to a new name, AFC Vacations has a new address. Just a few miles from our previous location, we remain your local solution to the vacation puzzle. With local staff answering the phone when you call, and 24 hour emergency access to an AFC Vacations' representative, we are dedicated to assisting you with all your vacation needs, as always.

Remember, it's a new name and a new look, but it's still the same great product and service. AFC Vacations truly is the perfect fit for travel with an all-inclusive approach including home shuttle service, unique attractions, and guaranteed departures. We look forward to seeing you on a 2010 AFC Vacations departure.

Yours in celebration,

Day 1 Fly to Denver (D)

Welcome to colorful Colorado. Upon arrival, transfer to your hotel. Tonight mix and mingle with your fellow traveling companions at your "Welcome Dinner".

Day 2 Colorado Springs Tour / Pikes Peak Cog Railway (BD)

Let the grand journey begin as we see the highlights of Colorado Springs. Begin with the U.S. Air Force Academy and its famous Cadet Chapel (when available). Next, visit Garden of the Gods to view towering sandstone rock formations against a backdrop of snow-capped Pikes Peak and brilliant blue skies. All aboard as we "Ride the Railway to the Clouds!" - Pikes Peak Cog Railway, the world's highest cog railroad. Look for bighorn sheep, marmots and other wildlife while experiencing this fabulous journey.

Day 3 Royal Gorge Railway (BD)

Today, journey to Canon City, home of the Royal Gorge Scenic Railway. A century ago, this was the busiest train route through the Rockies. Today, air horns echo off the hard rock walls as the train passes through the gorge pausing on the Hanging Bridge. Look down to watch rafters battle the rapids, and then look up to see the underbelly of the Royal Gorge Bridge, the world's highest suspension bridge, strung almost a quarter-mile overhead.

Day 4 Cumbres & Toltec Railroad (L)

Experience America's most spectacular narrow gauge steam railroad as we ride the original Rio Grande Line over the Rockies aboard the Cumbres and Toltec Scenic Railroad. Travel up steep grades, over high trestles, through tunnels, and along narrow shelves above yawning gorges. Relive the history of the miners and loggers that traveled the same route years ago. You may also recognise portions from being featured in several movies, including Indiana Jones. Lunch is included in historic Ostler.

Day 5 Durango & Silverton Narrow Gauge Railroad (BD)

Get ready for one of the top ten most exciting train journeys in the world as we board the Durango & Silverton Narrow Gauge Railroad. A great adventure traveling by coal-fired, steam-powered locomotive on the same tracks miners, cowboys and settlers of the old west took over a century ago. Wind through breathtaking canyons in the remote wilderness of the two-million acre San Juan National Forest.

Day 6 Georgetown Loop Railroad / Denver (BD)

The rugged beauty of the Rocky Mountains surround you as an old-time narrow gauge steam locomotive chugs its way through the canyon past the remains of several gold and silver mines. To connect the mines the railroad's builders designed a corkscrew route that traveled nearly twice the distance, slowly gaining more than 600 feet in elevation. It includes horseshoe curves, grades up to 4 percent, and four bridges across Clear Creek, including the massive Devil's Gate High Bridge. Marvel at the tremendous engineering feat, and unsurpassed scenery. Continue to Denver, home for the next two nights.

Day 7 Denver City Tour (BD)

After breakfast, enjoy a fun city tour of Denver, the capital of Colorado. The afternoon is free to explore Denver. Tonight, gather for a festive Farewell Dinner.

Day 8 Denver / Fly Home (B)
