## TRAVEL TRENDS, TIPS & TRICKS

### Want More Legroom on Your Next AFC Flight?

#### There is a New Class of Air Travel - Economy Plus

- More Room, For not much more Money
- Typically 4+ inches MORE leg room
- Available on both Domestic & International Flights (except Southwest Airlines)
- Limited number of seats per plane - normally 16-24

Well it's about time! Finally the airlines have decided to introduce a new class of airline seat and it's called Economy Plus! It is located in the front of coach and offers more legroom and seat recline. You can actually cross your legs while in this seat. This new class is especially good for our cross country or cross ocean flights. And the price is not that much more - about \$150-\$250 Domestic p.p. round trip and \$300-\$450 International p.p. round trip. Ask us about it when you book with AFC!

# MEET AFC'S NEW STAFF

## **Maly Leeper - Receptionist**

"Thank you for calling AFC Vacations, This is Maly how may I help you?"

Hi, I'm the receptionist here at AFC Vacations and I'm happy to take your call! My name is spelled Maly, you may pronounce it "Molly." I am 29 years old and I am married with 3 children. I adore this beautiful place called San Diego, CA which is where I've lived all my life! Before I joined the AFC Team I was a stay at home mom with my babies. They are now in their school years which is why I decided to get back into the working world. AFC is a perfect fit for me, and you will find me here from 9am-3:30pm My heart is currently set on our Alpine Swiss Tour with Charlotte, Biltmore & Atlanta right next to that! You see, just like you, I love traveling! Sincerely looking forward to speaking with you!

## **Samantha Heimlich - Accounts Receivable**

Hello! My name is Samantha, but I go by Sam most of the time. I was born and raised in Colorado until I married a Navy Sailor in 2008 and since then we have been to the East Coast and then Northern California and now settling in here in sunny San Diego. My husband and I have an amazing and smart 12 year old boy and we enjoy doing things outside as a family, but my true passions are running and watching our son play baseball. I started working for AFC Vacations in September of 2014 and ever since day 1, I have truly enjoyed my co-workers, all of our clients and my job in general. If you ever have any questions regarding your invoice or travel insurance please do not hesitate to give me a call.

## **Cathy Guillermo - Group Sales**

Hi. Being born and raised in San Diego I cannot imagine living anywhere else. My husband and I have been married since 2002. Together we have three amazing children, and three loveable dogs to complete our family.

Travel is my passion, and I plan to see every part of the world to experience new places, cultures, and food. I started with AFC just earlier this year and have enjoyed learning all about the business and working with such a great group of people. I look forward to speaking with you to help make your travel dreams a reality.

## **Rebecca Duckworth - Documents & Shuttle Specialist**

I love to travel and believe traveling offers the best education a person can receive! I was born and raised in Papua New Guinea and have enjoyed the opportunity to live in several countries including Australia, New Zealand, Haiti and Mexico.

I have been in the Hospitality Industry for the past 8 years and am excited to join the wonderful team at AFC Vacations! I look forward to working with you on your next grand adventure!

## **Kelsey Henkel - Operations**

Hi! I am born and raised in San Diego and recently found out that I am a sixth generation San Diegan. I live in San Diego with my husband and our two "fur-babies." We wouldn't want to live anywhere else and look forward to raising our future children here as well.

Traveling is my passion and runs in my blood. I have a bucket list, or how I like to call it my "live life to the fullest list" that is a mile long. I am grateful to have landed at AFC Vacations where my passion has become my career. I look forward to planning your vacations and helping you explore the world!

## **Sarah Wiger - Graphic Design**

I'm another native San Diegan! And I enjoy making AFC's Catalog and Newsletters look their best. My husband and I love to travel whenever possible, with or without our two young children. It's so much fun to look at all the travel possibilities that come across my desk here at AFC!

# TRAVEL TRENDS, TIPS & TRICKS

## What's the Latest Trend in Travel?

Experiential Travel! Where you, the vacationer, are a willing participant and not just a spectator! How about sharing these unique, hands on experiences with new found friends?

- Regional Cooking Classes
- Behind-the-Scenes factory tours - see how it's Made in America!
- River Cruise with architectural lecture
- "Meet the Actors" Studio
- Wine Pairing with food class
- Walking tours through National Parks
- Jetboat and rafting trips

It's no longer just about sitting on a coach looking out the window! The new way to travel gets you involved in the destination, so you experience it like a local. This makes for a much more interesting & satisfying trip. AFC has several such events on each of our vacations.

## Did you Know America's National Park Service will celebrate its 100 year Anniversary in 2016?

Since 1872, when the world's first National Park was created in Yellowstone, WY, our National Park System has grown to embrace over 407 natural, historical, recreational, and cultural areas throughout the United States. But it wasn't until **August 25, 1916** that President Woodrow Wilson signed into law the formation of a new federal bureau, the National Park Service, as a division of the Department of the Interior. The new service was charged with "conserving the nation's scenic, natural, historic, and wildlife treasures for the enjoyment of future generations". In 1933, FDR further consolidated all National Parks, Monuments, Military Parks, National Cemeteries, and Memorials into a single National Park System. There are now currently 59 official National Parks in the US. AFC visits many of these national gems on 12 of our vacations. Come celebrate with us next year!

## 18 Secrets the Cruise Line will Never Tell You!

Cruise ship life can be a little mysterious. Your choices aren't always spelled out in black and white. The more you cruise, the more you pick up on the unofficial cruising "secrets" that give you more options, save you money, and generally allow you to have a better time onboard. Here is a list of "insider tips" on how to make the most of your next cruise vacation!

### **FOOD TIPS:**

1. You are not limited to one of each course in the dining room, but can get as many as you wish, even 3 desserts.
2. Room service is FREE. Just tip the delivery person.
3. On the first night of the cruise, most people dine in the main dining room or buffet. But you can get into the speciality restaurant easily for an excellent dinner.
4. On Holland America, LUNCH in Pinnacle Grill alternate restaurant is only \$10 p.p., whereas dinner is \$30 p.p.
5. At the Specialty Coffee Shops, there is a charge for the coffee, but the pastries and sandwiches are often free.
6. Soft Serve ice cream is FREE up on the Lido Deck buffet.
7. Check the Purser's Desk to access the dinner menus for the entire week. That way you can decide which main dining evening to skip to go to the alternate restaurant.

### **DRINK TIPS:**

8. There's no "open beverage" rule onboard, so you can bring drinks from the bar or buffet to your cabin or show.
9. Wine at dinner - If you are going to have a glass of wine at each dinner, purchase a bottle and have the waiter mark it and save it for the next evening. Saves money.

10. Sodas are not free. Buy a soda card and save. Coffee and Ice tea are included in all dining rooms.

### **CABINS TIPS:**

11. Picky about your bedding? Most lines will provide egg crate mattress toppers, top sheets, pillow choices for free.
12. Feeling sea sick? Call room service for green apples and bland crackers or the purser's desk for free meds.
13. With all the electronics we bring on board these days, bring a power strip so you can plug them all in at once.
14. Have an Inside cabin - use the bridge cam TV channel as a night light and also to see if the morning sun is up yet.

### **ENTERTAINMENT TIPS:**

15. Casino frequenters can get a hole punched in their room card & free lanyard so as to not forget it at slot machines.
16. Internet package - many lines offer free minutes if you sign up for an internet package on the first day.
17. Spa treatments - many lines offer discounts for first day or port day treatments.
18. Ship presentations and talks - don't worry about missing these, as they are taped and re-broadcast many times over your cabin TV.

**Clients from AFC's Danube River Cruise 2014:**

**FROM JANIE of ARIZONA:**  
It's hard to say how wonderful this trip was. We saw so much history & we were especially impressed with Ingrid & the stories she shared with us from when she lived there when she was young. America is a young country & we don't realize what some people went through. She made it EXTRA special & I just wanted to take her home with us!!

**FROM MARILYN of OCEANSIDE, CA:**  
Excellent itinerary & Chris found little extras for us, like an outstanding string quartet concert in Prague. Whew! That was so neat. Also a walk at night to see the buildings illuminated (Prague) & crepes afterwards. Just lots of fun. Loved the little village in Italy where we spent a relaxing morning sauntering thru town.

**FROM SETSUKO of TORRANCE, CA:**  
The towns we stopped at on the cruise were all very interesting with much history and the scenery was beautiful. Each and every city tour was both informative and interesting. There was a good variety and selection of excursions and tours as well. We thoroughly enjoyed the trip.

**FROM PAM of TEXAS:**  
Trip was really great! I highly recommend it. The guides were great & very informative. Excursions were well done. Great choices for guides on walking tours, as well; I was very happy. AFC is by far my favorite tour company. Kudos to your staff & the commitment to providing travelers with the best adventure possible. I wish I could go on every trip!

## Exclusive Included AFC Features

### Door-to-Door Home Pick-Up Service

AFC's home pick-up is an included feature in most of our tour packages. We charter vans just for our AFC clients, or towncar service for our luxury cruise vacationers. The gratuity is always included and the driver picks up your bags inside your home.

### Included Air - Bags Fly Free with AFC

Check one bag FREE with AFC. Baggage fees have become the norm in air travel, so AFC has you covered. On **AFC OPERATED LAND TOURS** that include air, your airline baggage fee is FREE (does not apply to cruises). No more hassles at the airport with AFC.

### 50% Off Single Room Supplement

On many of our tours, AFC has reduced the single supplement by 50% for the first 5 single clients to sign up on a given departure - a savings between \$160-\$325 on select tours. Make sure to ask about this Single Supplement offer right away as it sells out quickly.

### Cash Early Booking Savings

Enjoy a savings of \$50-\$200 p.p. when you book early & agree to pay your 2nd & final payment by check only. This is a 2 tiered discount (1-10 & 11-20 clients) with each tour having different discounts that apply. See our website + our 2015 catalog for details.

### More Guaranteed Departures

No one likes to have their vacation cancelled due to lack of attendance! So AFC has decided to promote many of our departures as **Guaranteed GD!** You can book with confidence with AFC.
