### The Distinctive Voyages Host

For novices and experts alike, every cruise is filled with questions: What time is my dinner reservation? How much should I tip the staff? Where is the gym? What's the best way to get to the city center from the dock? On a Distinctive Voyages' cruise, you will have easy and constant access to a Distinctive Voyages Host who is always ready to answer your questions.

Our extremely knowledgeable Hosts are carefully selected because they know both the ship and the itinerary inside and out. They will personally take care of you throughout your voyage, helping you locate lost luggage and arrange private guides at ports, as well as recommend off-the-beaten-path experiences.

2

## The Private Cocktail Reception

The Private Cocktail Reception is your introduction to your exclusive group. Occurring early in the cruise, you'll meet and become acquainted with the other VIPs in the Distinctive Voyages group. These acquaintances will soon become fast friends as you see them throughout the journey and on your Exclusive Shore Event.

The reception will be organized by the Distinctive Voyages Host, who will discuss the itinerary in depth, review the details of your Shore Event and answer any questions you might have. It truly is a wonderful way to begin your cruise adventure.

3

#### The Exclusive Shore Event

Guided by local experts, our Exclusive Shore Events are specially-chosen excursions that reveal the true nature of the people and places you will visit, helping you connect to the culture in a very personal and unforgettable way. These excursions are only available to the members in your group. Some cruise lines may offer excursions to the general public that are similar, but our Distinctive Voyages adds **extra experiences** to make them **extra special** to you. Plus, these groups tend to be much smaller, which leads to a more enjoyable affair.

Throughout this magazine, we have shared just a few examples of our exciting shore events. To learn more about these shore excursions and others, please contact our agency.

4
